

Listowel Memorial Hospital – ER Locum Posting

The North Perth Family Health Team & Listowel Memorial Hospital are recruiting an **ER LOCUM** - to practice emergency medicine with our progressive and collegial team in Listowel. An additional post grad year in EM is not required. ACLS and ATLS preferred but not required. ER rates available upon request. Locums are paid for procedures etc. in addition to hourly rate. Role will also cover vacation coverage for other physicians as needed. The NPFHT is a 'high needs' community and a locum would be a great way to assess practice fit.

Email kkowch@northperth.ca for more details.

- New ER, Ambulatory Care Diagnostic Imaging and Surgical wing in 2007
- CT Scanner (June 2017)
- Shifts -- 12-hour shifts from 7 am – 7 pm (24 hour shifts are available)
- Volume -- 14,000 visits per year - Average 40 visits per day – usually busier during day shift
- 7 beds – including 2 major trauma
- Primarily low acuity with occasional higher acuity patients
- Additional earnings over and above hourly fee for procedures – ie: sutures, abscesses, WSIB visits; varies by shift
- Friendly, approachable and skilled nursing staff and physicians
- An in-depth standard referral pattern information package provided to locums
- Accommodation provided as needed (newly renovated apartment , B&B or suite at hospital)

EMR links 10 hospitals including London plus primary care centre. www.lwha.ca.

- ER - AFA with MOHLTC for 24 Hour ER services at hospital - 12 hour shifts 7 am-7pm ; 1 in 8 rotation (or as interested); 30-40 patients / day avg
- OB - 15 deliveries / month avg
- Automated dispensing cabinets and paperless pharmacy
- Satellite Ontario Breast Screening site
- Weekly Grand Rounds
- Affiliated with Schulich School of Medicine & Dentistry and McMaster's K-W Michael G. DeGroot School of Family Medicine; Residents and medical students regularly have 1 and 2 month rotations in Listowel; Teaching opportunities are available

- The Family Health Network (FHN) offers a turn-key opportunity providing billing administration, nursing, medical administration and triage nursing services in our spacious and modern setting.

The North Perth Family Health Team

All physicians and team members of the North Perth Family Health Team work out of our new primary care centre conveniently located across the street from Listowel Memorial Hospital. All physicians have hospital privileges and provide in-patient care for their patients. **North Perth is designated as a 'high needs' area.** We are currently recruiting for **3 GP's practicing comprehensive care** due to growth and pending retirements. GP's with interests in OB and/or Anesthesia are a priority plus more primary care focussed will be considered. The NRRR Incentive, moving expenses plus other local incentives are offered.

See www.northperthhealthcarerecruitment.ca or email Kim Kowch at kkowch@northperth.ca

Our Family Health team consists of: 12 physicians, clinical pharmacist, 2 primary care NP's, mental health counsellor, MSW (youth and adolescent), oncology nurse navigator, dietitian, youth addictions counsellor, 2 RN's, 2 RPN's, quality manager and administrative staff. The practice averages 30-40 patients per day normally 9-5 pm with 1 hour lunch. There is a 50-50 male to female ratio for patients. www.npfht.ca.

Description of Location
